#### **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors First Candle, Inc. New Canaan, CT

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of First Candle, Inc. ("Organization"), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of First Candle, Inc., as of December 31, 2019 and 2018, and the changes in net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Emphasis of Matter**

On January 1, 2019, the Organization adopted Financial Accounting Standards Board, Revenue from Contracts with Customers and Not-for-Profit Entities: Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made, as discussed in Note 2. Our conclusion is not modified with respect to this matter.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

#### Accounts Receivable:

Accounts receivable generally represent amounts due under terms of grants and contracts for expenditures incurred or services provided prior to year-end. Accounts and contributions receivable are recorded at net realizable value if expected to be collected within one year and at net present value if expected to be collected in future years. An allowance for uncollectible accounts is estimated based on historical collection trends, type of customer, the age of the outstanding receivables, and existing economic conditions. As of December 31, 2019 and 2018, management believes an allowance for uncollectible receivables is not deemed necessary.

#### Revenue Recognition:

On January 1, 2019, the Organization adopted the Financial Accounting Standards Board ("FASB") Accounting Standards Update, *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made.* This guidance is intended to clarify and improve the scope of accounting guidance for contributions received and contributions made. Key provisions in this guidance include clarification regarding the accounting for grants and contracts as exchange transactions or contributions, and improving guidance to better distinguish between conditional and unconditional contributions.

Contributions are recognized as revenue when they are received or unconditionally pledged. Conditional contributions are not recognized until the conditions are substantially met or explicitly waived.

Contributions are recorded as revenue as either with or without donor restrictions according to donor stipulations that limit the use of these assets due to time or purpose restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities and changes in net assets as net assets released from restrictions.

The Organization also adopted the FASB accounting pronouncement, *Revenue from Contracts with Customers*, which is a comprehensive new revenue recognition standard that supersedes existing revenue recognition guidance. The Organization adopted the new standard effective January 1, 2019, the first day of the Organization's fiscal year, using the modified retrospective approach. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The FASB also required expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

#### **Donated Services and Materials:**

Contributed noncash assets are reflected as contributions at their estimated fair values upon the date of receipt and are recorded as revenue and related expenses and were recorded at their estimated fair value. The Organization pays for most of the services that require specific expertise and no amounts have been reflected in the financial statements for contributed services for the years ending December 31, 2019 and 2018.

The Organization regularly receives services from volunteers who are not acting in a professional capacity. These services do not meet the criteria for financial statement recognition and are not included in the financial statements.

#### Income Taxes:

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and, accordingly, is not liable for federal and state income taxes.

The Organization follows standards that provide clarification on accounting for uncertainty in income taxes recognized in the Organization's financial statements. The guidance prescribes a recognition threshold and measurement attribute for the recognition and measurement of a tax position taken, or expected to be taken, in a tax return, and also provides guidance on derecognition, classification, interest and penalties, disclosure and transition. The Organization's policy is to recognize interest and penalties on unrecognized tax benefits in income tax expense. No interest and penalties were recorded during 2019 and 2018. At December 31, 2019 and 2018, there were no significant income tax uncertainties.

#### Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Recent Accounting Pronouncements:

The FASB issued an accounting pronouncement, *Leases*, which requires lessees to recognize a right-of-use asset and lease liability on the balance sheet for all leases with a term longer than 12 months. Under this new pronouncement, a modified retrospective transition approach is required, and the new standard is applied to all leases existing at the date of initial application. It will be effective for the Organization for the year ended December 31, 2021. The Organization is currently evaluating the effect the new standard will have on the financial statements.

#### NOTE 3 - FUNCTIONAL EXPENSES:

The costs of providing the various programs and other activities have been summarized on a functional basis on the statements of functional expenses. Accordingly, certain costs have been allocated among the program service and community activities. Management and general expenses are those not directly identifiable with any specific function, but which provide for the overall support and direction of the Organization.

The financial statements contain certain categories of expense that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. Salaries, employee benefits and payroll taxes and fees are based on a time and use study. All other expenses are recorded as either a direct cost or on the time and use study allocation.

#### NOTE 4 - NET ASSETS WITH DONOR RESTRICTIONS:

Net assets with donor restrictions are available for the following purposes:

|                           | December 31, |    |        |  |  |  |  |
|---------------------------|--------------|----|--------|--|--|--|--|

| Robert's Program Research | \$<br>30,000 | \$ | 40,000 |  |  |  |  |

#### NOTE 5 - CONCENTRATIONS OF RISK:

The Organization maintains cash balances at financial institutions. At times, cumulative balances may exceed the insured limit.

#### NOTE 6 - SIGNIFICANT RISK AND UNCERTAINTIES:

The Organization is actively monitoring the recent COVID-19 outbreak and its potential impact on the employees, volunteers, donors, and operations. It is not known at this time how much effect the virus will have on operations and/or financial results. The potential impact of COVID-19 is not foreseeable due to various uncertainties, including the severity of the disease, the duration of the outbreak, and actions that may be taken by governmental authorities.

The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Organization is currently applying to various foundations and corporations for funding and is planning a year-end appeal. The Organization is continuing to build and maintain relationships with state agencies, corporations and foundations.

#### NOTE 8 - SUBSEQUENT EVENTS:

The Organization has evaluated its subsequent events and transactions occurring after December 31, 2019, and through January 19, 2021, the date the financial statements were available to be issued.

The Organization obtained a Paycheck Protection Program loan under the CARES Act in April, 2020 for approximately \$44,000. This loan is to provide the Organization with working capital for the purpose of maintaining employment levels and paying occupancy costs during a stay-at-home period ordered by the governor of New Jersey. The Organization may receive partial or full forgiveness of the debt if it maintains its employee count as well as salary levels during such specified period. Any portion of the loan that is not forgiven must be repaid. Loan payments, if any, are deferred during the covered period and are payable with interest at 1%, through 2022. The loan is uncollateralized and guaranteed by the SBA.
